Subject: Snowy 2.0 Transmission Connection – Environmental Management Strategy

Dear Mr. King

I refer to the Environmental Management Strategy for Snowy 2.0 Transmission Connection (SSI-9717). I also acknowledge your responses to the Department's review comments and request for additional information.

I note the Environmental Management Strategy contains the information required by the conditions of approval.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in the Infrastructure Approval.

Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (Rev 0.06, dated 28 July 2023).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
