Subject: Snowy 2.0 Transmission Connection - Out of Hours Protocol

Dear Mr. Buttigieg,

I refer to your submission requesting review and approval of the Noise and Vibration Management Plan for Snowy 2.0 - Transmission Connection. I also acknowledge your response to the Department's review comments and request for additional information.

While a Noise and Vibration Management Plan has been submitted, the conditions of the Infrastructure Approval require the Department to review and approve the Out of Hours Protocol component.

I note the Out of Hours Protocol has been prepared in consultation with Snowy Valleys Council and contains the information required by the relevant conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Out of Hours Protocol component of the Noise and Vibration Management Plan (Rev 5, 27 July 2023).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406

Yours sincerely
