Subject: Snowy 2.0 Transmission Connection Project – Transport Strategy

Dear Mr Snape,

I refer to your submission requesting review and approval of the revised Transport Strategy in accordance with the Infrastructure Approval for Snowy 2.0 Transmission Connection Project (SSI 9717). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Transport Strategy:

- has been prepared in consultation with Transport for NSW (TfNSW) and Snowy Valleys Council (SVC);
- has been updated to incorporate additional details relating to the movement of high-risk oversize overmass (OSOM) deliveries (part of Stage 2 activities as approved under PA-12 staging request); and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Transport Strategy (Revision 11.0 dated 6 January 2026).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Katie Weekes on 4927 3223.

Yours sincerely,

Nicole Brewer
Director
Energy Assessments

As nominee of the Planning Secretary
